

Roger Olson Dies; Final Rites Today

Roger T. Olson, 24, late of the Mokena Garden Apts., died on Sunday evening, June 18, at St. James Hospital, Chicago Heights, after suffering a cerebral hemorrhage at his home on Friday evening. He was watching television when he complained of a severe headache. A few minutes later, he collapsed and was rushed to St. James, where he died about 48 hours later. He never regained consciousness.

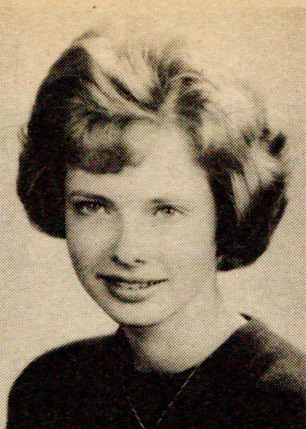

Born Jan. 17, 1943 in Chicago, he had lived in Mokena for the past 16 years. He attended St. Mary's grade school and was a 1960 graduate of Lincoln-Way High School. He was employed as

a clerk for Roadway Express Company, Chicago.

Surviving are his wife, Vonnice, nee Mahan, his parents, Mr. and Mrs. Robert Olson, one sister, Margie, three brothers, Richard, and Ronald, all of whom reside in Mokena, and Robert of Indianapolis, Ind.; his paternal grandfather, Arthur Olson, of Evergreen Park, and his Maternal grandmother, Margaret Regan, of Chicago.

The body was taken to the Hirsch Funeral Chapel, Tinley Park, and from there to St. Mary's Church, Mokena, for a 10:00 a.m. requiem mass today (Thursday), with the Rev. Cecil Koop O.F.M. officiating.

Interment was in the parish cemetery.

CONNIE JO VAN RHEEDDEN, valedictorian of the 1967 graduating class at Lincoln - Way High School, has been given the Annual Award of the Reader's Digest Association. This award is given to the student who ranks first scholastically. Miss Van Rheedden has a 3.92 average with 4.00 representing a perfect A.

Connie Jo is the daughter of Mr. and Mrs. Robert Van Rheedden of Frankfort, Ill.

Return From Chorus Camp

Back, from a week in the Chorus Camp at Eastern Illinois University at Charleston are seven high school students from the area. The camp program was climaxed last Sunday afternoon with a concert.

Four of the youngsters from here were from Mokena, Thomas H. Gilbert, Linda Helgersen, Debbie Roach and Kathleen Vondrasek.

The other three were from New Lenox, Wendy Anderson, Barbara Vondrasek and Marsha Wennlund.

WHAT A ROOF LOOKS LIKE when spread out on the ground. When this picture was taken the roof was spread over the premises of the B & M Lumber Co. on White St., Frankfort. A few minutes earlier it had covered the bodyshop of the Cooper Show Ford agency next door. Then came a strong gust of wind and away went the roof. This took place Friday afternoon in the course of a thunderstorm which marked the close of a 10-day period of storm and tornado warnings mingled with hot and humid weather. It got cooler last Saturday. (Graphic Newspapers photo)

Bring Historymobile To Mokena July 3-4

The Mokena Woman's Club's exhibit at the annual Lions Fourth of July Festival this year comes ready made from the State of Illinois in the form of the Illinois Historymobile.

This portable edition of the state's history will be parked at Community Park and can be visited from 6 to 10 p.m. July 3 and on July 4 from 10:30 a.m. until the festival closes that night.

On display in the large van is a chronological account of the exploration, settlement, growth and

statehood of Illinois told thru photographs, maps, mementos, official documents and original letters.

Two cases are devoted to the explorations of Father Marquette, Louis Jolliet, LaSalle and Tonty and their discoveries and reports.

Other cases concern the Indian tribes, the settlements, Colonial Wars and the War of 1812. Among the displays is the only known copy of the "Illinois Herald," the first newspaper printed in the state.

There is no admission charge to the exhibit

Shrubs Annoy Pedestrians

Complaints about the condition of some sidewalks have been received by the Mokena Village Board.

It was brought out that in some places shrubs overhang the walks to such an extent that pedestrians have to detour. Police Chief Newton was to notify owners of the offending shrubs to trim them.

Some of the walks are reported to be in bad condition, which concerns the village. When people fall on sidewalks they generally wind up suing the municipality, it was pointed out, and sometimes they collect.

Mustang Big Prize In Fourth Festival

The Mokena Lions, sponsors of the annual Fourth of July festival to be held July 3-4, are busy now with the sale of tickets in the queen contest.

It is thru the Teen Queen contest that the club will award the grand prize, a Ford Mustang.

Not only are the Lions selling tickets but the eight girls in the queen contest also are selling tickets.

These contestants are Frances Bormet; Jackie and Jill Ferro, twins; Kathy Haislet, Margaret Marshall,

Karen Ortelgel and Gay Williamson.

The girl elected queen will receive a large portrait of herself from the Behnke Studio.

William Cady is serving as chairman of the ticket committee and he is asking members to turn in the money on the tickets they have sold to date. In purchasing a ticket the buyer can indicate his choice for the Teen Queen.

Tickets also will be sold by the organizations maintaining booths at Community Park while the festival is in progress.

Boy, 10, Fatally Hurt While Crossing U.S. 45

A 10-year-old boy, a resident of Tinley Gardens, was killed Sunday afternoon when he was struck by an automobile on U.S. 45, four-tenths of a mile north of 191st St.

The victim was Johnie Lee Burk, son of George and Beatrice Burk, and was one of the 11 children born to the couple. The father is a yardmaster for the Grand Trunk Western railroad. The

family resides at 18303 S. 92d St.

The youngster was struck as he crossed the highway to join two older brothers, William, 17, and Donald, 14, who were walking north along the west side of the road. The boy crossed the highway at a point where, it was said, it would have been difficult for him to have seen a north-bound car and where it would have been difficult for the driver of such a car to have seen the youth.

U.S. 45 rises to the north of the Rock Island underpass after dipping to pass under the tracks and it has been pointed out by police that this situation makes for poor visibility. In the next year, it is believed, this underpass will be replaced by a span that will carry U.S. 45 over the railroad tracks.

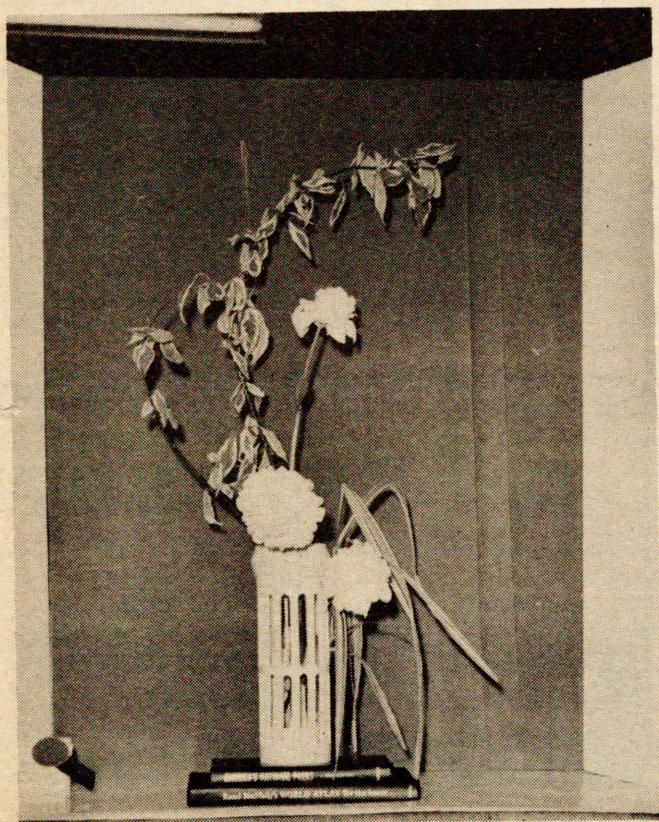

The car that struck the lad was driven by Delmer E. Mather, 35, of 88th Av., Frankfort Township. Mather is a truck driver for an implement firm. He did not see the boy until too late to avoid striking him, according to the report of state police who investigated the case. Marks show how Mather applied his brakes and swerved in an effort to avoid striking the boy. No charges were placed against Mather. Mokena and Frankfort police also were called to the scene.

While the boy was believed to have died at the scene he was taken to Silver Cross Hospital at Joliet where he was pronounced dead on arrival.

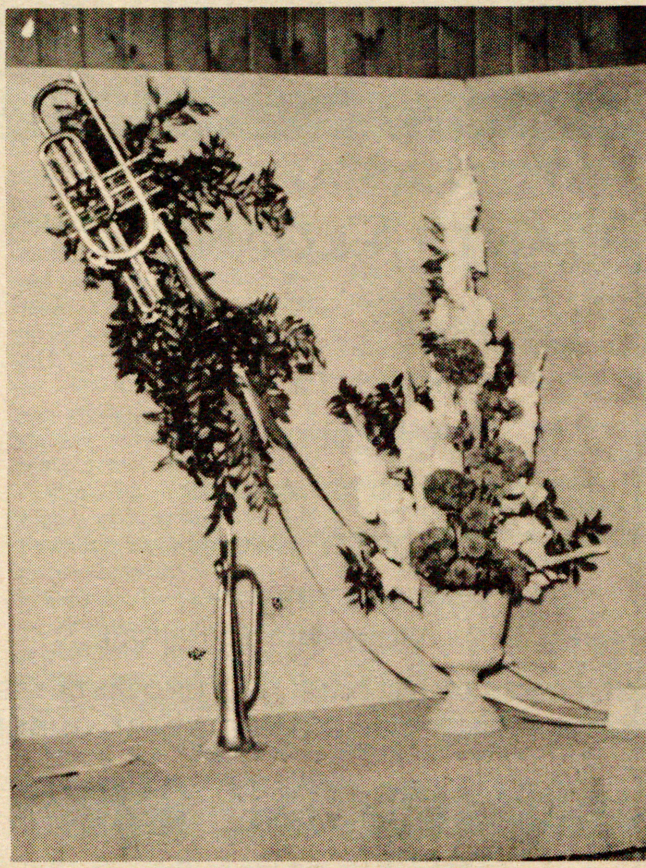

Johnie was a pupil at Arbury Hills School and was brought to the Orland-Tinley

area when he was one year old. Besides his parents the boy is survived by his maternal grandmother, Mrs. Rose Carner, of Anderson, Calif.; five brothers, George Jr., William, Donald, Kenneth and Robert, and five sisters, Cynthia, Wanda, Linda, Cheryl and Diane. Another sister, Brenda, preceded him in death.

The body was taken to the Frankfort Community Chapel, U.S. 30 and 95th St., where services were held yesterday afternoon (June 21) with the Rev. Roland C. Smith, pastor of the Calvary Baptist Church, Tinley Park, officiating. Interment was in Beverly Cemetery, 119th and Kedzie.

still others have yet to be planted.

Spruce for example have about completed their first flush of growth. If growing conditions are good, you should measure about 12 inches of new growth at the growing tip and five to eight inches of new growth from the lateral or side branches. Small unestablished plants of course grow at a slower rate. When spruce are fertilized a second flush of growth may occur later in the month. However, usually people have a problem with spruce becoming too large too fast. Unfortunately spruce are often used where a lower growing yew or juniper should be used.

While spruce are producing a heavy growth of new branches, apples are already producing not only new leaves and shoots for next year's crop but the apples themselves. Some varieties are already the size of a marble and showing a bronzy or reddish cast. At least three sprays should have been applied by now. This will keep the apples from being lumpy, spotted with scab, or wormy. Last fall many people were puzzled by these lumpy apples that were caused by stings of the fly of the apple maggot.

Control must start now and continue right up to time of picking. Sevin, an insecticide, is one of the safest and most effective materials for this purpose. However, spraying with an insecticide is doing only half the job. Apple trees also need protection from disease such as mildew and apple scab. Captain is but one example of a good disease preventer. For convenience, you can purchase many good combin-

ation sprays that contain both an insecticide and fungicide in a powdered mixture. Keep your trees sprayed at weekly intervals and you should have a good crop of apples next fall.

As the outside temperatures have become warmer petunias have been doing some interesting things. When first set out in the spring the colors are quite deep and dark. Now as the weather has warmed the colors are lighter. In fact the hotter the weather the lighter the color. Apply blossom for example, is a new petunia that is very deep pink in cool weather. As the temperatures go up, the color becomes lighter until it becomes very pale and washed out. Multicolored petunias show this change in different manner. Gaiety, crusader, calypso, and rose start are examples of flowers with pink, rose or red on a white field. However as the temperature climbs the amount of white in the pattern increases as each new crop of flowers open. You will also notice that those variegated varieties that are grown in full sun will have more white and be accompanied by brither reds or pinks than petunias grown in light shade. And the more shade the fewer the flowers.

Remember that this week is about the last call for planting some of the easy flowers such as zinnias and marigolds from seeds. Also remember to keep planting beans in the vegetable garden until about the end of June. This will give you fresh plants that will produce right up to frost time.

FROM THE Hirsch's

Dear Friends,

We should be thankful that here in our country we have religious freedom.

People want the guidance of some religious faith. Our churches here are well prepared to give it. So make some church your church, and support it with contributions and attendance.

Village Board Adopts Appropriation Measure

The Frankfort Village Board at its regular meeting Monday night adopted the appropriation ordinance for the 1967-68 fiscal year. The total amount is \$203,905, which is only about \$4,000 more than last year's figure. Last year the appropriation ordinance provided for expenditures of \$199,985.

The ordinance this year provides for purchase of a grinder at the sewage treatment plant to take care of sticks and other debris thrown into manholes. Some of this debris, especially sticks, are introduced into the sewer mains by youngsters, it was said.

An appropriation ordinance, Village Attorney August Santoro pointed out, is necessary because purchases cannot be made by the village unless they are appropriated for in such a measure. The fact that an appropriation is made, however, does not mean that the village will spend that amount. May items are listed, it was said, just in case the money should be available.

The village could use about \$50,000 very easily in properly reconditioning the stretch of Center St. for about a block north of the E. J. & E tracks, according to Trustee Lynn Kohlhausen, chairman of the streets and alleys committee. The street is in need of a new base in that section, curb, gutter, drainage.

Engineers point out that most village and many cities spend a lot of money on street repairs because the streets lack adequate drainage. Persons who think they are saving money where curb, gutter and sidewalk is not required is laboring under an hallucination, one-

gineer said, because he will have to pay for more street repairs than he would if the street were drained. Storm sewers are becoming a must in some communities and Frankfort officials are planning to eventually get such a system installed. Storm sewers are required in new subdivisions and eventually will have to be built in the original town, it was said.

"People complain about water on the streets and water in their basements," Kohlhausen said. "To eliminate such problems storm sewers are needed."

At a recent meeting of the board Trustee Robert Dean brought up the subject of placing electric power and telephone lines underground. At Monday's meeting Clifford C. Allen, district superintendent of Commonwealth Edison, and A.J. Schager, manager of the Illinois Bell Telephone Co., told the board that they believed that eventually most wiring would be buried. Both said that it would be easy to put wires underground in new subdivisions and that a number of communities have ordinances to that effect.

Allen left some copies of such an ordinance that Frankfort could use to amend its subdivision ordinance if it chooses. The proposal will be submitted to the planning commission for study, the village board decided, although it will have to be the board to make the final decision.

There are problems in burying wiring in old sections of a town, both utility representatives agreed -- more so for the power firm than the telephone company. The power company must go much deeper to install its equipment than the phone company, it was explained.

HONOR LAW ENFORCERS -- At the 11th District convention of the American Legion posts in Will, DuPage, Kane and Kendall counties held last Sunday at Frankfort, citations were awarded members of the Frankfort police department. Presentation was made by Neatus Wilson, commander of Bobzlin-Swinford Post, of Frankfort (left) to Chief Ted Massey and Officers Virgil Coleman, Wayne Mangun and James Maloney. Standing in the background is Mayor Glenn Warning, of Frankfort, who welcomed the delegates to the community. Approximately 100 delegates were present. (Graphic Newspapers photo)

List Flower Show Winners

Annual flower show of the Mokena Garden Club held in the Veterans of Foreign Wars Hall, Wolf Rd., drew entries from individuals and garden groups in the area.

"Hometown Happenings" was the theme of this year's show and the staging was along simple lines with ample open space and little clutter, it was pointed out by those versed in such things.

Highest awards and blue ribbon winners in each of the classifications were:

Tri-Color for Table, Green Thumb Garden Club; tri color for niche, Tinley Park Garden Club; Award of Merit (horticulture), Mrs. Herbert Neef; Award of Merit, best of roses, Curtis Lanham; Special Creativity Award, Mrs. Curtis Lanham; Junior Achievement Award, Cathy Guendling; Special Awards for educational and special exhibits: Will County Co-op Extension Services; Will-South Cook Soil and Conservation District; Vo-Ag Dept., Lincoln-Way High School; Scherer's Landscape Nursery; Mrs. Robert Schultz; Mokena Garden Club for staging its theme so attractively in all special features.

Sweepstakes Award for members only was won by Mrs. Curtis Lanham, artistic division; Mrs. Neef, Mrs. Wayne Gallinger and Mrs. Lanham, tied in the horticulture division.

Awards of Appreciation: Bernardin's Florists and Flowers by Dan, for courtesy exhibits.

edge of the village. It was formerly zoned for light industry and is so zoned again. When property is annexed it automatically becomes R-1. The Zoning board had approved all of these measures.

Village Attorney Santoro told the board that as far as he has been able to determine there is little to be done about curbing corn growing or any other farming operation unless it could be proved to be a fire hazard or detrimental to public health.

People who live in a rural area are going to have to live with corn, dust and fertilizer," he said.

Blue ribbons in artistic design: Arrangements, Mrs. Albert Zemeske, Mrs. Curtis Lanham, Mrs. De De Hauert; Mrs. Dorothy Van Horn (2), Mrs. J.F. Mullen; Niche, Mrs. Richard Holman and Mrs. Curtis Lanham; Park Forest Garden Club; Manhattan Garden Club; Tinley Park Garden Club; Tables, Peotone Garden Club; Mrs. Curtis Lanham; Mrs. Peter Ridderhoff; Green Thumb Garden Club.

Blue ribbons in the junior division: Artistic design, Cathy Guendling, Richard Holman, Debbie Heitman; Horticulture, Richard Holman.

The judges for the show were: Mrs. Albert H. Pendleton; Mrs. T.F. Quarnstrom, Mrs. Jerome J. Vlk, Mrs. Stanley Skaley, Mrs. O.D. Burkett and Mrs. Joseph E. Mullen.

Horseshoe Tourney On This Sunday

The Lincoln Estates Athletic Club is holding a singles horseshoe pitching tournament Sunday, June 25, on a court behind the G & T Tap, U.S. 30.

This is for amateurs only and trophies will be awarded to the winners. There will be an entry fee of \$1 for non-members; the fee for L.E.A.C. members will be 50 cents.

St. Jude's Church Sponsors Annual Barbecue, June 25

MRS. DOLORES ANDERSON
Telephone: 485-2365

St. Jude's Catholic Church will sponsor their annual Chicken Barbecue on Sunday June 25. The affair will be held outdoors, with serving from 12 noon until 5 p.m. In case of rain, it will be held indoors. Carry-outs will be available, and tickets for adults are \$1.50 and for children, .75¢. General chairman in charge of the barbecue is David Biesack; kitchen chairman, John Techman; barbecue specialist, Jim Fleming; ticket chairman, Ray Watson; refreshments chairman, Bud Huttenhoff; serving chairman, Bob Winans; awards and prizes chairman, Charles Carnahan.

Approximately 70 children of the Guardian Angels Orphanage and 10 of the Nuns from the orphanage will be guests for the dinner.

Joseph Konkall, Jr. has returned home from Silver Cross hospital where he underwent major surgery last week.

Miss Kathy Haislet of Lincoln Way High received the scholarship from the Future Business Leaders of America (a \$50.00 scholarship) and was also given the department award for the outstanding Senior graduating in business. Her name was left off of the Award Winners in a previous article.

The Goodwill Industries truck will be in New Lenox Thursday, June 22, picking up repairable articles of clothing, appliances and small household furnishings. Anyone wishing to have the truck stop should dial 722-5189.

Daily Vacation Bible school is being held for two weeks, Monday thru Friday, June 19th, thru 30, at the Fellowship hall of the Methodist church. Sessions are held from 9 a.m. to 11:30 a.m., each day. Activities are graded for children aged 4 thru 12. There will be stories, handwork, games, songs, and some experiences out of doors at the camp-

grounds. Registration is \$1 per child, or \$2 per family. Mrs. Carl Batson and Mrs. Donald Weber are co-directors of the school this year.

Robert Darling has returned home from Silver Cross hospital where he was confined for several weeks due to injuries suffered in a fall from a ladder at his home.

Mr. and Mrs. Dean Power and daughter, Kathleen, of Forest Lake, Minn. have been visiting in the home of Mrs. Powers parents, Mr. and Mrs. Glenn Donaldson.

Dr. David H. Donaldson of Chicago, formerly of New Lenox, was graduated from the University of Illinois Medical School June 9.

Dr. Donaldson and his wife will live in Denver, Col. where he will begin his internship at the Denver General Hospital June 24.

Mr. and Mrs. Glenn Donaldson, 128 Gum St., New Lenox, are the parents of Dr. Donaldson.

A new public address system has been installed in the Methodist church which was purchased with Memorial Funds. It was dedicated on Memorial Sunday. The equipment was installed by O.R. Phillips assisted by Robert Grisham.

Community Has Many Week-End Accidents

JAMES PEYTON
Telephone: 532-1516

This weeks story could well be left unwritten and the people of Tinley Gardens would be far happier as the incidents finally mushroomed to the ultimate with the death on Sunday of our little Johnny Burk. To begin with, Thursday, David Sumner, son of Mr. and Mrs. Thomas Sumner of Ethyl Lane broke his arm on the practice baseball field, Friday, Michael Bunt, son of Mr. & Mrs. Courtney Smith of Pleasant Ave. was run over by an auto driven by his mother on 94th ave. and 177th st. however he got away with only minor injuries. Then Saturday Donald Kalas, son of Mr. & Mrs. Donald Kalas of 183rd st. was injured in a bicycle accident and has a very badly bruised knee and little Jerry Kowalczyk, son of Mr. and Mrs. Ed Kowalczyk of 183rd st. got an eye infection in the left eye from a water spray. Sunday afternoon, Johnny Lee Burk, son of Mr. & Mrs. George Burk, of 92nd Ave. and two of his brothers were on an errand for their mother when he was struck and killed by an auto on route 45. Still a little later Sunday afternoon Mr. Robert M. Bechtel, father of Mrs. Beckie Peyton of Ethyl Lane, was rushed to Silver Cross Hospital with pneumonia and still later Mrs. Jackie Gunn was al-

most run down in front of her own house by an auto in the Subdivision which was speeding with reckless abandon. We offer our deepest and most sincere sympathy to each and every one of you and hope that this truly disastrous weekend never repeats itself.

Mr. and Mrs. Herschel Woods and family and Mr. & Mrs. W. J. Cobb and family, both of Lenore Lane spent the weekend on a camp-out at Starved Rock State Park and they had a real nice time trying out some new camping equipment.

Lets all come out to the Bake And White Elephant sale Saturday June 24th.

Summit Hill PTA Presents Annual Scholarship Award

MRS. EDWARD HOVI
Telephone: 479-5740

The new president of the Summit Hill Parent-Teacher Group, Mrs. Barbara Hamilton, was in attendance at the honors night at Lincoln-Way High School to present the scholarship sponsored by the Parent-Teacher Group. The scholarship is awarded annually to a graduate of Lincoln-Way High School, who had been a graduate of the Arbury Hills School. The recipient of the scholarship this year is Michael Watkins. Congratulations, Michael!

The all-family picnic at Mokena Community Park on June 3, sponsored by the Parent-Teacher Group was its usual success, bringing the smiles and occasional stomach aches to the children, and some relaxation to Mom and Dad.

The Parent-Teacher Group presented to the school a check to cover the cost of a teaching aid called an "opaque projector". This projector will pick up pictures for projection from pictures or books.

The money remaining after the purchase will be used to purchase draperies on the south side of the original building at the school.

The new members of the board of directors were named as chairman of the various committees for the coming year. They are: Hospitality, Mrs. Pat Tanis; Social, Mrs. Eve Jensen; Ways and Means, Mrs. Marty Jaeger; Budget, Mrs. James Rose; Membership, Mrs. Jean Hayden; Publicity, Mrs. Marge Munday; and the Head Room Mother, Mrs. Beverly Haas.

The Arbury Hills Civic Association will hold a general membership meeting at the school this Sunday, June 25, beginning at 2 p.m.

The baseball season is rolling along into high gear. Last Wednesday there were two games at the home fields. The Farm teams were battling it out with Len Gunt's

boys pitted against the Lincoln Estates boys. It was not exactly a pitchers battle with the score looking more like a football finish, twenty to eleven, but they were all giving it their best. These youngest baseball pros have their own ideas about the great American pastime.

On the auxiliary Field there was the second game between the other two Arbury Hills Farm Teams, Lloyd Sprinkle's against Glen Pierce's. This was a much closer contest with the final score showing the Sprinkle's boys squeezing past Pierce's team by the score of eight to seven.

The "B" team headed by Don Rutan came out on top in their game played against the Lincoln Estates team on the Lincoln Estates field by the score of fifteen to three.

The "A" team also had a real knock down affair playing against Frankfort with the final outcome being a fifteen to two slaughter.

The Pony team played a good tight game against the New Lenox boys last Saturday with the game ending with the score of three to two, Arbury Hills over New Lenox.

Due to the large number of teams in operation this year, there was a need for additional playing areas. The baseball league have now graded out an auxiliary field for games adjoining the regular playing field. The backstop was erected recently to enable the youngsters to have more room

to play. This field is being referred to as Field #2, and the original field as Field #1.

The auxiliary field does not have any seats, so bring your own, if you want to be comfortable.

The Triken Council Day Camp Bus schedule for pick-up and drop from July 10 through July 14, is as follows:

Stop - New Lenox Oakview School, Pick-Up - 8:20 a.m., Drop-Off - 3:25 p.m.

Stop - V.F.W. Hall Mokena, Pick-Up - 8:30 a.m., Drop-Off - 3:15 p.m.

Stop - Mokena Medical Bldg., Pick-Up - 8:30 a.m., Drop-Off - 3:15 p.m.

Stop - Arbury Hills School, Pick-Up - 8:25 a.m., Drop-Off - 3:20 p.m.

Stop - Frankfort Grade School, Pick-Up - 8:15 a.m., Drop-Off - 3:30 p.m.

Stop - Ryan Gas Station Lincoln Est., Pick-Up - 8:15 a.m., Drop-Off - 3:30 p.m.

Please be prompt. The bus should not have to wait for stragglers. If you need further information, please contact Mrs. Lee Gericke at 469-5311.

AN ORDINANCE AMENDING ORDINANCE NUMBER 476, THE OFFICIAL ZONING ORDINANCE OF THE VILLAGE OF FRANKFORT, ILLINOIS BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF FRANKFORT, WILL COUNTY, ILLINOIS: WHEREAS, there has been heretofore filed with the Zoning Officer of the Village of Frankfort, a petition of the Board of Trustees of the Village of Frankfort signed by the President and Clerk of said Board of Trustees, requesting the Village Zoning Board of Appeals of the Village of Frankfort to: 1. Consider the advisability of adopting the amendments to Ordinance No. 476, the Official Zoning Ordinance of the Village of Frankfort, Illinois, as set forth below; 2. To conduct a public hearing to determine the advisability of adopting said ordinance, in accordance with the existing Zoning Ordinances of the Village of Frankfort, and the laws of the State of Illinois; 3. To make a written recommendation to the Board of Trustees of the Village of Frankfort as to whether or not said Ordinance shall be adopted; and,

WHEREAS, said petition was referred to the Village Zoning Board of Appeals of the Village of Frankfort and, after due notice by publication, a public hearing on said petition was held on the 15th day of June, A.D. 1967, by said Village Zoning Board of Appeals; and,

WHEREAS, said Village Zoning Board of Appeals has filed its written recommendation with the Clerk of the Village of Frankfort recommending that said amendments be adopted; and,

WHEREAS, it appears to be for the best interests of said Village that said amendments be adopted;

NOW, THEREFORE, BE IT ORDAINED by the Village of Frankfort, Will County, Illinois, as follows:

SECTION 1. That Ordinance No. 476 heretofore

duly passed and adopted by the President and Board of Trustees of the Village of Frankfort, being the official Zoning ordinance of the Village of Frankfort, Illinois, was duly passed and adopted by the President and Board of Trustees of the Village of Frankfort on the 17th day of June, 1957.

NOW, THEREFORE, BE AND IT IS HEREBY ORDAINED by the President and Board of Trustees of the Village of Frankfort, Will County, Illinois, that Ordinance No. 476 be and it is hereby amended so that Section Seven; A. (1), (a), (b), and (c). of said Ordinance No. 476 shall read as follows:

"SECTION SEVEN: R-1 Zone, ONE FAMILY RESIDENTIAL. A. The uses permitted in single-family zones are as follows: (1). One family residence per lot of a permanent character, placed in permanent location and incidental to such use: (a). Storage of not more than four (4) motor vehicles of which not more than one shall be a commercial vehicle, limit one ton capacity. (b). Other accessory buildings such as: playhouse, toolshed, hobbyshop, etc.. (c). As incidental to a Single-Family Residential use in an R-1 Zone, providing lodging or table board or both for not more than two (2) persons."

AND FURTHER, THEREFORE, BE AND IT IS HEREBY ORDAINED by the President and Board of Trustees of the Village of Frankfort, Will County, Illinois, that Ordinance No. 476 be and it is hereby further amended, adding Section Seven A, which shall read as follows:

"SECTION SEVEN A: R-1 Zone, TWO FAMILY RESIDENTIAL.

A. The uses permitted in R-1, A. Zones are: (1). All uses permitted in R-1 Zones. (2). Two-Family Residences. (3). All uses prohibited in R-1 zones are prohibited in R-1, A. zones except those uses permitted under Paragraphs A. (1) and A. (2) above."

FORE, BE AND IT IS HEREBY ORDAINED by the President and Board of Trustees of the Village of Frankfort, Will County, Illinois, that Ordinance No. 476 be and it is hereby further amended so that Section Three; Definitions Defining Building Lines, shall read as follows:

"SECTION THREE; BUILDING, LINE OF - The boundary of any side of a building including (a) uninclosed porches, (b) open steps or terraces, and (c) balconies, canopies and cornices."

AND FURTHER, THEREFORE, BE AND IT IS HEREBY ORDAINED by the President and Board of Trustees of the Village of Frankfort, Will County, Illinois, that Ordinance No. 476 be and it is hereby amended so that Section Fourteen shall read to follow:

"SECTION FOURTEEN - POPULATION DENSITY, MINIMUM LOT - WIDTHS AND LOT-AREA REGULATIONS. In view of the current trend toward ranch-type dwellings, the ideal lot width should be from eighty to ninety feet; however, minimum requirements must always be somewhat less than ideal. Therefore, in future subdivisions, the minimum lot width in Residential Zones (R-1) shall be eighty (80) feet and the minimum lot area 11,200 square feet, (80' x 140'). This requirement shall also apply to existing subdivisions such as Lots No. 3 to 15 inclusive in Bowen's Addition, where out-size lots are in the process of unofficial re-subdivision, and where the logical minimum should be 80' x 165'."

SECTION 2. That all other remaining provisions of said Zoning Ordinance Number 476 remain in full force and effect.

SECTION 3. That all ordinances or parts of ordinances conflicting with any of the provisions of this ordinance be and the same are hereby repealed.

SECTION 4. This ordinance shall be in force from and after its passage, signing and approval as provided by law.

Passed this 19th day of June, A.D. 1967, by the affirmative vote of 5 of the members of the Village Board of Trustees of the Village of Frankfort, Will County, Illinois.

Bible School Pupils To Sponsor Parents Night

Telephone: 479-9321
This evening (Thursday, June 22) at Immanuel Lutheran Church, La Porte and Schoolhouse Roads, Vacation Bible School pupils will hold "Parents' Night" offering songs and recitations and displaying various projects made at the school. The final session of the school will be held Friday morning.

Sunday morning, (June 25) during the regular services (8 and 10:30 a.m.) the Sunday school teachers will be installed in office for the new Sunday school year. The annual Sunday school and church picnic will be held in the afternoon and the promotion of pupils will take place the following Sunday. This Sunday Dr. A. J. Bueltmann, the pastor, will discuss "God's Purpose in Affliction." On Sunday July 2,

A Little Consumer Protection Please

Spokesmen for the anti-trust division of the Department of Justice have indicated that they do not envision a broad scale program imposing limitations on advertising. But, at the same time, there continues in official circles the underlying belief that advertising results in higher prices. Nothing could be further from the truth. Advertising builds sales volume and lowers unit costs. Consumers benefit in lower prices, abundance and variety in the marketplace.

Another BETTER IDEA from Ford Country

A new-car type warranty for used-Ford buyers!

Your investment is covered for 2 years or 50,000 miles when you buy a 1964, 1965 or 1966 Ford-built car from your Ford Dealer

Ford Motor Company warrants to Purchaser of used 1-, 2- or 3-year-old Ford-built cars certified and registered by an authorized dealer, that the dealer, using genuine new Ford or Ford Authorized Reconditioned parts, will repair, free of charge including related labor, any Power Train part which fails in normal use and service within (i) 24 months from the termination of the New Car Warranty (or from the date the Used Car Warranty is registered, if that is later) or (ii) 5 years from the date of production, or (iii) 50,000 miles of total operation, whichever comes first.

The Purchaser will pay only the first 25% of the total warranty repair bill and must present his Owner Card or Warranty Certificate.

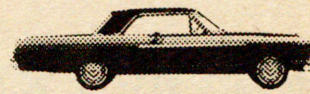

Power Train parts include: engine block, head, and all internal engine parts, oil pan and gaskets, water pump, intake manifold, transmission and all internal transmission parts, torque converter, driveshaft, universal joints, rear axle, and all rear axle internal parts, and rear wheel bearings, but exclude related items such as ignition, electrical, cooling and fuel systems, engine or transmission controls or linkages, manual gearshift lever, clutch or brake assemblies or wheels, tires or tubes.

The Warranty is not transferable and does not apply to failures caused by abuse, neglect or inadequate maintenance. Repairs attempted by non-authorized dealers, accidents or other casualty.

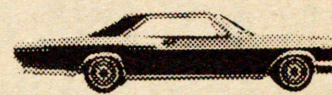

Every 6 months/6,000 miles: engine oil and filter should be changed, breather cap and air filter cleaned and transmission and axle fluid levels checked. Every 12 months/12,000 miles: air filter (closed ventilation system) emission control valve, thermostat filter and oil breather cap (1964 models) should be changed, and emission system and carburetor spacer cleaned. Every 36 months/36,000 miles: air filter (open ventilation system) should be replaced, and universal joints (1964-65 models) repacked. (On 1964-65 Lincolns, manifold to water valve hose and choke hose should be replaced every 24 months/30,000 miles. On 1965-66 8-cyl. Mercurys and Comets with air-conditioning, and all 1966 Lincolns, manifold to water valve hose should be replaced, and in all models, engine coolant should be changed every 24 months/36,000 miles.)

Letter To The Editor

Dear Editor:

I receive the News-Bulletin weekly and when having read about the winter weath-

er and snow in Mokena it prompted me in writing this letter because we still have snow on the ground.

I was born and spent 40 years in Mokena and 7 years ago moved to California. I am employed by the State

of California and work for the Division of Beaches and Parks at the Plumas Eureka State Park which is located about 60 miles west of Reno, Nev. and about 60 miles northwest of Lake Tahoe and Squaw Valley. The park is adjacent to the Fabulous River Canyon and about five miles from route 70, the Feather River Highway which crosses the Sierra Nevada at a lower elevation, approx. 5,200 feet, than any other route over this mountain range. The route is called "The All Weather Route" because it is seldom closed to traffic by snow as are many of the other routes.

The park contains about 5,000 acres and ranges in elevation from 4,000 to 8,000 feet. The area was quite famous during the Gold Rush days and is the birthplace of sport skiing in the United States.

Now, to tell you about our winter. Here it is, June, and we are now in our 8th month of having snow on the ground, starting last November. In fact, last August I could still see some snow on the mountain side from the winter before last. When we made a snow survey on May 1 this year we had 122 inches on the ground at the 6,300 foot elevation and 154 inches at the 6,800 foot elevation. So, if the people around that area thought they had problems with snow, just what would they have done with this amount. But, even with this much snow I was able to get to work every day, living in the town of Graeagle, about five miles from the park. The roads were always kept open by the county highway department. They use motor graders, truck mounted snow plows and snow blowers for the road clearance. For off-road travel we use a snow-cat or snow shoes.

I'm enclosing a picture of myself in front of the Park Museum. The building is a full two stories and you can

PLEASANT SETTING isn't it? Trouble is one has to travel a long way to enjoy it--California. With all the heat and humidity we have been having between tornado warnings, this scene taken in front of the museum of Plumas Eureka State Park in the California mountains, is refreshing and relaxing. The man is Harold Balaz, formerly of Mokena. We must confess, however, that according to Mr. Balaz this picture was taken in January, but there is still a lot of it left. As we recall, we too had a bit of snow last January but it is only a memory now.

see the snow is almost up to the second story windows. News-Bulletin, it's been almost 30 years ago.

I just thought the story might be of interest to you - Yours truly, Harold N. Balaz Box 42 Graeagle, California 96103

Gas air conditioning makes sense.

Because it filters out allergenic pollen and dust. Just clean, cool, dehumidified air circulates in every room.

Because it costs less to own than any other system, thanks to less maintenance, lower operating costs and longer life.

Because it lets you sleep when it's hot and muggy.

Because it gives you peace of mind with our 5-year free service warranty, 5-year payment plan, and low summer rates.

Because it shuts out noise—lets you keep doors and windows closed.

For more details, call our nearest office or your heating contractor. (If you don't already heat with gas, plan to switch now. We'll finance it, too.)

MR. AND MRS. MELVIN BETTENHAUSEN -- An open house to celebrate the 25th wedding anniversary of Mr. and Mrs. Melvin Bettenhausen, rural Tinley Park, will be held on Saturday, June 24, at the American Legion Hall, Frankfort.

A supper will be served from 6 to 8 p.m. with a dance to follow. All friends and relatives are invited to attend. Mr. Bettenhausen and the former Evelyn Nelson were married on June 7, 1942 at St. John's Church, Mokena, with the Rev. Haeefe officiating.

Their children Roy and his wife Nancy, Don, Carol, and Bob will be on hand to help them celebrate.

May Illumine Village Hall Flag

The United States flag is normally raised at sunrise and lowered at sunset but if arrangements discussed at the meeting of the New Lenox Village Board last week -- suggested by Mayor Joseph E. Hartung -- are carried out the flag will fly over the village hall 24 hours a day.

Mayor Hartung said that he has been informed that the flag may be flown in the night hours if it is illuminated by a spotlight.

The board was to inquire into the means of mounting a spotlight that would play on the flag.

Lincolnwood

Eleven Graduates Listed From Area

MRS. DOLORES ANDERSON
Telephone: 485-2365

Amongst the graduates this past week in Lincolnwood Hills, were: Kathy Malloy and Jerry Konkel, Lincoln Way; Paula Luke, Kathy Taylor, Judy Cook, Linda Heitman, Marjorie Cullen, Shirley Deifenbach, Rose Dodson and Dale Erickson from Oakview in New Lenox; and Kathy Konkel from St. Mary's in Mokena.

Mr. and Mrs. Clifford White entertained at an Open House Sunday from 2 until 6 p.m., honoring their daughter Debbie, who graduated from Lincoln Way High school last week.

A floral centerpiece decorated the buffet table, and Debbie received many lovely gifts.

Guests were: Mr. and Mrs. Leonard Domke and family,

and Mrs. Julia Evans from Valparaiso, Indiana; Mr. Paul Gast and children of Orland Park; Mrs. Patricia Newton and children, and Mr. and Mrs. I.C. White of Mokena; Mr. and Mrs. Robert White and family of Lincoln Estates; Mr. and Mrs. Fred Hosh and Chris Klasing of New Lenox.

Mrs. Wayne Gallenger entertained at a supper and party, Thursday night honoring the birthday anniversary of her husband. Guests were, Mr. and Mrs. David H. Bler, Sr., and Mr. and Mrs. Al Guertin of Lockport, and Mr. and Mrs. David H. Bler, Jr. and Chris of Joliet.

Mr. and Mrs. Orval Bernhoft and family, and Billy Malloy have returned home from a few days vacation spent at Red Lake, near Bimidi, Minn.

PICTURES WERE USED to tell the story of the Will-South Cook County Soil and Water Conservation District in its exhibit at the Mokena flower show.

If you have a physical handicap that interferes with your use of the telephone, please let us know.

We want to help.

Part of our job is making sure that all our customers have full and unhindered use of their telephone. Sometimes we have to do something a little special to bring phone service in line with a person's restricted abilities.

For example, we've developed services to help people who are blind, hard-of-hearing, or have impaired vocal cords. And we've priced them with no intent to profit. Some regular services—such as Speakerphones or automatic dialers—may help people who are paralyzed or bedfast. In

addition, we've designed special equipment for individual needs.

But there are a lot of problems we don't even know about. If you have any trouble using your phone, we'd like to hear from you. Call collect to our Personal Service Specialist in Chicago—Area Code 312, 727-4421.

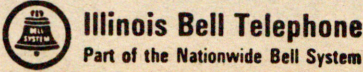

Or, write P.O. Box 5995, Chicago, Illinois 60606. We'll be glad to discuss your particular problem, and do our best to solve it for you. The solution may be right on the shelf in our warehouse. If not, we'll be glad to sug-

gest an original combination of services.

There's no obligation, of course.

By sharing your particular problem with us, you'll also help all our other customers with a difficulty similar to yours.

Please feel free to discuss your phoning difficulties with the Personal Service Specialist. Call collect to Area Code 312, 727-4421. Or, write P.O. Box 5995, Chicago, Illinois 60606. Your confidence will be respected.
